

Upcoming Events

- ♥ Crocker school ride (TBA)
- ♥ Board meeting, Kountry Kitchen, Nov. 29.
- ♥ Christmas Parade December 2, 2006

Welcome

A big thank you to Clara Magoon for taking time out of her busy schedule to attend our Board meetings. Clara is the Mid South Regional Coordinator for MPACT. She brings with her a wealth of valuable Knowledge.

Congratulations

Congratulations to John and Jenny Edborg on the birth of their son Justin Duane, on November 17, 2006. Justin weighed 6 lbs 15 oz. Jenny is back to riding. (did we have any doubt?)

2006 NARHA conference

Diana and Jenni attended the 2006 NARHA conference. Attending the conference gives both of them continued education hours as well as a wealth of Information to pass on. An after action report has been made up and will be handed out at the next Board meeting to be held at the Kountry Kitchen, November 29.

Diana and Jenni in Indianapolis

Volunteer of the Month

Our volunteer for the month of November is our barn manager, Jenny Edborg. Despite being very pregnant, (in Sept) she was out in that arena for 2 hours straight as a leader, during our trial run. Jenny, Thank you for all the great work you do for HEARTs.

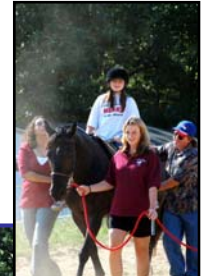

Catching up

While the staff and volunteers at HEARTs Astride continued to meet and work over the summer, we were also out having fun !! Several members of our Staff have kids that did pony club and attended several play days and the big Hartville hunter/jumper show in September.

HEARTs had a few opportunities to raise some funds when the local towns had their annual festivals. Crocker Railroad days, Dixon Cow Days and Waynesville Paw Paw days. We owe a huge **THANKS** to Tim Berrier at Lone Oak Printing for donating the printing cost of 300 fliers to be handed out at these Festivals. This allowed us to get the word out in our community about our mission here at H.E.A.R.T.s Astride.

For those of you keeping tabs on Reba, Ariana was weaned in September and Reba has now returned to work.

September 7, Pick elementary brought 26 students to ride. We divided them into two groups. Four horses were used: Midnight, Reba, Cody and Alladin. We had enough volunteers to have three volunteers per horse for the first session and had at least 2 per horse during the second session. Everything went well and the kids had a great time!

The students sent hand written thank you's with pictures of their day with us.

We would like to extend a heart felt thank you to all of those who volunteered for this trial run for HEARTs.
